The image features the Microsoft logo in a bold, white, italicized sans-serif font, centered horizontally and slightly above the vertical center. The logo is superimposed on a dark, blurred background of a computer keyboard. The keys are visible but out of focus, with some characters like 'H', 'J', 'K', 'L', 'U', 'I', 'O', 'P', and numbers '1', '2', '3', '4', '5', '6' discernible. A small green light is visible on the right side of the keyboard. The overall composition is clean and modern, emphasizing the brand name against a familiar technological context.

I'm a PC.

I'm a Mac.

The image features a close-up, slightly blurred view of a dark-colored computer keyboard. The keys are visible, with characters like 'H', 'J', 'K', 'L', 'M', 'N', 'O', 'P', 'U', 'V', 'W', 'X', 'Y', 'Z', and numbers '1' through '0' clearly legible. A small green light is visible on the right side of the keyboard. In the center of the image, the word "twitter" is written in its characteristic blue, rounded, lowercase font with a white outline.

How to Save the World

- Realize that technology doesn't matter
- Discover that people are more important than machines or technology
- Stop building your identity around the tools you use
- Get away from the computer more often
